DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. See insert for additional Directions for Use.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal of repellent unit.
PESTICIDE STORAGE: Store in a cool, dry place. Keep container tightly closed. Store refills out of direct sunlight.
PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable bottle. Do not reuse or refill this bottle.
If empty: Place in trash or offer for recycling if available. **If partly filled:** Use remaining product according to label directions for use or call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

FIRST AID

IF SWALLOWED:

- Immediately call a Poison Control Center or doctor.
- Do not induce vomiting unless told to do so by a Poison Control Center or doctor.
- Do not give any liquid to the person.
- Do not give anything by mouth to an unconscious person.

HOTLINE NUMBER

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. In case of medical emergencies or health and safety inquiries, or in case of fire, leaking or damaged containers, information may be obtained by calling 1-800-633-2873.

NOTE TO PHYSICIAN

Contains petroleum distillate - vomiting may cause aspiration pneumonia.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Harmful if swallowed. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

ENVIRONMENTAL HAZARDS

Do not apply to directly to water, or to areas where surface water is present or to intertidal areas below the mean high-water mark. Do not contaminate water when disposing of equipment washwaters or rinsate.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

Insert the bottle into the
device until it clicks in.

6

Replace cover,
twist to lock
in place.

7

Press and hold ON
button for 3-5 seconds.

IMPORTANT: READ ENTIRE LABEL BEFORE USE.

For Outdoor Use Only

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not use indoors.

Do not pry repellent bottle open.

Place one device every 10 to 12 ft around the area you wish to protect.

Use outdoors on patios, decks, unenclosed porches, walkways and other areas where mosquito protection is desired. For coverage for a deck or patio, place one device every 10 to 12 ft around the area you wish to protect.

Do not use or leave device in conditions where temperatures are below 40°F or exceed 110°F.

Always pick up the device by the base, not by the cover.

Let the device run for 15 minutes to establish complete protection.

Operate only with device standing upright.

Turn off the device when not in use.

Prior to transporting or storing the device, remove the repellent bottle and replace the repellent bottle cap. The claimed hours of repellency are an average based on lab testing and are presumed using 90% of repellent provided. The last 10% of repellent is not claimed, as repellency effectiveness may diminish with reduced wick exposure. Your repellent usage rate will vary based on the temperature and relative humidity.

OPERATING INSTRUCTIONS:

UNLOCK THE DEVICE FROM LOCK MODE

1. The device is locked to prevent accidental powering on during transport/storage.

2. To unlock the device from lock mode:

- Press and hold the **POWER** button for 3 to 5 seconds to unlock the device from lock mode.
- Press and hold the **POWER** button again for 3 to 5 seconds to activate lock mode. In lock mode, heating is disabled.
- Once in lock mode, the device cannot be turned on by pressing the **POWER** button briefly.

INSERT REPELLENT BOTTLE

1. Insert repellent bottle only when the device is turned OFF.

2. Open the device by unlocking the cover and pulling it up and off. Rotate the cover clockwise to **LOCK** / Rotate counterclockwise to **UNLOCK**. Do not pry open the device.

3. Remove cap from repellent bottle. Retain the repellent bottle cap for future use.

4. Insert the repellent bottle into the device. Repellent bottle will snap into place when properly inserted.

5. Replace the cover and rotate into the **LOCK** position to close the device.

NOTE: DEVICE WILL NOT REPEL MOSQUITOES UNLESS REPELLENT BOTTLE IS PROPERLY INSERTED.

OPERATING DEVICE

1. To turn **ON**, press and hold the **POWER** button for 2 seconds. LED light will turn on.

2. To turn **OFF**, press the **POWER** button. LED light will turn off.

STATUS LIGHT FUNCTION DESCRIPTIONS

DEVICE IS ON, BUT NOT CONNECTED TO EXTERNAL POWER:

Blinking Green – Once device is unlocked, LED will flash green 3 times.

Blinking Red – Battery voltage good for at least 1 hour of use.

Solid Red – Battery voltage sufficient only for a few minutes of use, indicating that recharge is needed.

Solid Green – Device on.

WHEN CONNECTED TO EXTERNAL POWER (WHEN DEVICE IS OFF):

Blinking Green – Charging.

Solid Green – Fully charged.

REPLACING THE REPELLENT BOTTLE

• Replace repellent bottle when liquid is no longer visible in the bottle.

• Do not attempt to refill the repellent bottle.

• The repellent bottle and wick will get hot while in use. Always allow repellent bottle and wick to cool before replacing the repellent bottle. Do not touch or break the wick.

• Replace the repellent bottle only when power to the device is turned off.

• Do not insert anything other than Cutter® Mosquito Repellent Refill (HG-97202) in the device. **Only use Cutter Mosquito Repellent Refill in this device.**
