CUTTER® OUTDOOR CANDLE

MADE WITH REAL CITRONELLA & CORNMINT OILS

**⚠ Improper use can result in fire and burns.
STOP. READ ENTIRE LABEL BEFORE USE.
FOR OUTDOOR USE ONLY.**

**NOT INTENDED TO
REPEL MOSQUITOES**

WHERE TO BURN:

OUTDOORS, not in enclosed areas to avoid concentration of soot, smoke or scent. **DO NOT** burn indoors.
Burn on a stable, level, heat-resistant surface.

BEFORE LIGHTING:

Keep wick trimmed to ¼ inch or less at all times to reduce sooting. Remove any foreign material or liquid from container.
Do not use if container is chipped or cracked.

WHILE BURNING:

⚠ WARNING

• Burn within sight. **DO NOT** leave unattended. • Keep away from things that catch fire. • Keep away from children and pets.

AVOID FLARE-UPS:

• Never put anything that can burn in the candle. • Keep candle away from external heat sources. • Do not use water to extinguish candle – liquids can expand the flames or splatter wax. • Do not burn for more than four hours at a time. • Discontinue use when ¼ inch of wax remains.
• Cover when not in use to protect candle from water and debris. Never pick up or move a burning candle.

Before moving, extinguish and let wax harden. Never pick up or move a burning candle.
