

Rejuvenate™ Click n Clean™ Multi-Surface Spray Mop System

Kit Includes

- 1 Full-Size 32 fl oz Rejuvenate® All Floors Cleaner
- 2 2 Bottle Adapters DO NOT DISCARD
- 3 Durable Scrub Pad
- 4 Upper Pole Section With Spray Trigger
- 5 Middle Pole Section
- 6 Lower Pole Section With Bottle Reservoir
- 7 2 Deep-Cleaning Microfiber Pads
- 8 Replaceable Spray Nozzle
- 9 Detachable Mop Head

Cleaning pads are machine washable. Allow pads to air dry; do not place in dryer.

Assembly Instructions

Attach the middle pole section to the lower pole. Line up notches as shown and lock into place.

Attach the upper pole section to the middle pole section. Line up notches as shown and lock into place.

Attach mop base to lower pole section and lock into place.

Attach microfiber cleaning pad to mop base, ensuring it is firmly secure.

IMPORTANT:

When not using the mop for 2 weeks or more, remove the bottle and dispose of any fluid remaining in the reservoir. Pour warm water in the reservoir and spray until water is flushed through. Air dry and store empty.

If The Nozzle Clogs

- Remove the bottle and dispose of any remaining cleaner in the reservoir.
- Remove the nozzle by turning it counterclockwise.
- Soak nozzle in warm water for 1-2 minutes or until the clog is cleared.
- Replace nozzle by turning it clockwise.

If the steps above don't resolve the clogging, please contact customer service at 877-959-1234 for a free nozzle replacement.

Adapters

For Cleaning & Speed-Mopping Floors

Remove bottle cap or trigger. Attach reusable bottle adapter to bottle top until secure. Do not discard adapters with empty bottles.

Insert bottle with attached bottle adapter into the bottle reservoir.

Use Rejuvenate® Restorers To Fill In Scratches, Seal & Protect, And Use Rejuvenate® Specialized Cleaners To Care For Your Restored Floors
