MICROFIBER PAD CARE INSTRUCTIONS

- 1 Wash in a regular cycle with cold water and a mild detergent.
- 2 Dry at low heat or air dry.
- 3 DO NOT use fabric softener or dryer sheets. They will leave a residue and inhibit the microfiber's cleaning ability.

FOR FLOOR RESTORATION

- 1 Use Rejuvenate® Floor Restorers to fill in scratches, shine and protect your floors. Available in Hardwood Satin, Hardwood Gloss and All Floors Restorer.
- 2 Rejuvenate® Microfiber Pads are recommended to use with our floor restoration products.
- 3 NOTE: When using restorer products, microfiber pads must be rinsed thoroughly with warm water and mild soap immediately after use. Do not allow restorer liquid to dry on mop pads.
