(1 qt / 946 mL)

Window
Cleaner

Rejuvenate™ Window Cleaner quickly removes dirt, pollen and residue from outdoor windows and leaves a spot- and streak-free shine. This non-toxic formula is safe to use on windows and around plants and grass. Not recommended for households with hard water.

DIRECTIONS: SHAKE WELL. Test in an inconspicuous area first. Start cleaning across the top of the window first and then move down, working from top to bottom in sections up to 20 ft at a time. For best results, avoid using this product on surfaces in direct sunlight, as it works better under low-humidity conditions. For maximum spray distance, adjust the dial back and forth from the "CLEAN" and "RINSE" indicator.

1. WET: Set to "RINSE" position and spray area to thoroughly wet.

2. CLEAN: Clean surface by setting to "CLEAN" and spray from top to bottom, then bottom to top. Clean in sections up to 20 ft at a time.

DO NOT ALLOW TO DRY ON SURFACE.

3. RINSE: Set to "RINSE" position, rinse suds off thoroughly and allow to dry. Repeat as necessary.

100% GUARANTEED RESULTS OR YOUR MONEY BACK

If you are not satisfied with this product for any reason, send your written request for a refund to the address below, together with the original dated store receipt showing the price you paid. Please allow 6-8 weeks for processing.

QUESTIONS? Call 877-959-1234 or write: PO Box 142489, St. Louis, MO 63114

STORAGE: Keep in cool, dry place out of direct sunlight. Store between 40°F-90°F.

CAUTION: MAY IRRITATE EYES AND SKIN. Do not get in eyes. Do not get on skin or clothing. **KEEP OUT OF REACH OF CHILDREN AND PETS.**
